

Parking lot for visitors

Created by Bianca Bortot on Dec 15, 2022

The BMUV visitor parking lot is accessible to visitors that have been previously announced to Security by email to rsp3.hauptpforte@bmuv.bund.de (you can write to them in English).

The entrance is located between the Robert-Schuman-Platz metro exit and the BMUV building (the area circled in red on the map). Visitors should ring the bell in the white column and announce their names (see the images).

It is open from Monday to Friday from 7:00 to 21:00. Cars cannot stay there at night. It can contain about 40 cars and is managed on a first-come, first-serve basis.
