Getting to the venue

by car

Toulouse has direct motorway links with the main capitals of Northern and Southern Europe.

Paris-Bordeaux-Montpellier freeway network at the junction of the freeways :

- A62 (to Bordeaux);
- A20 (to Paris, via Montauban and Limoges);
- A61 (to Montpellier and Barcelone);
- A64 (to Foix, Lourdes, Bayonne, San-Sébastien);
- A66 (to Pamiers, Foix, Andorre) ;
- A68 (to Albi and Lyon) ;
- A75 (Clermont-Ferrand - Béziers via Le Viaduc de Millau).

On the ring road, take exit n°27 "La Cégière". Follow the direction "Cugnaux", then "Les Pradettes" and "Météo-CERFACS".

by train

Matabiau railway station is in the city centre.

SNCF Information : +33 (0)8 36 35 35 35

Take the underground line A in direction of "Basso Cambo", and get off at Basso Cambo station. Then take the bus Line N° 18, in direction "Cité scolaire rive gauche", and get off at stop "Météo-France".

by plane

Toulouse-Blagnac international airport offers numerous national and international connections, including:

- Paris-Toulouse: more than one flight per hour; a daily shuttle bus connects Paris to Toulouse in 1h10 every 30 minutes.
- 38 regular lines, 24 of which are international (20 in Europe).
- 16 daily connections between Toulouse and the main provincial towns.
- 20 daily connections between Toulouse and the main European capitals.
- And many other international connections.

A taxi cab drive will take you to the Meteopole in about 15 minutes. The airport shuttle to the city centre runs every 20 minutes, get off at "Allée Jean-Jaurès" bus stop. Then, take the underground line A in direction of "Basso Cambo", and get off at Basso Cambo station. Then take the bus Line N° 18, in direction "Cité scolaire rive gauche", and get off at stop "Météo-France". Once punched, a ticket is valid for a period of 1h30 and can be used on the underground and buses. Ticket can be bought from the driver.

by bicycle
